An architectural rendering of a modern multi-story commercial building at dusk. The building features large glass windows and balconies, many of which are illuminated from within, showing interior spaces and people. The name "North Grande Mall" is displayed in large, glowing letters along the top edge of the building. To the right of the main building is a taller, more residential-looking structure with balconies. The sky is a mix of dark blue and orange from the setting or rising sun. In the foreground, there are some trees and a few small figures of people, suggesting a public space or plaza.
