

Merca Builders backed by a dedicated team of professionals, extensive experience and expertise, We are focuses on residential villas and apartments. Every Merca homes and apartments project is executed with the same passion and commitment that has been the hallmark of the company

Building homes is a task that involves immense responsibility and vision. A home is where lives are moulded for years and perhaps generations to come. At MERCA, we believe that homes are often the most important destination in one's life. So we craft beautiful homes that can evolve and inspire with time. Homes that will keep you close to nature and be your next forever.

MERCA is based at Calicut with a well packed team with experience and professional skills. Since inception Merca has always strived for benchmark quality, customer approach, uncompromising business approach and transparency in all spheres of business.

Vision

MERCA is a name that has long stood for sustainable living solutions. A name that has inspired trust and ensured a definite difference. MERCA believes that the growing is possible only through the customers.

We have already gained a remarkable role in customer's heart by our dedication, loyalty, trustworthiness and punctuality towards them. Customers and partners see us as integral to their success. We value their needs and deliver on every commitment we make.

Our Approach

We always try to present the best out of us to customers and we believe their satisfaction is the greatest reward for us. MERCA is always generous to listen and study their feedbacks and criticisms, which help us to grow stronger. Recently we got many buyers through our previous customers which itself is an endorsement of

our quality and trustworthiness. We're so grateful to our customers for all the support extended to us in our journey to excellence.
